

Hotline established for the public seeking behavioral health assistance

FORT HOOD, Texas -- A behavioral health hotline has been established for anyone who has been affected by the April 2 shooting incident at Fort Hood and who requires assistance locating behavioral health assistance at Fort Hood or in the surrounding communities.

The newly established hotline number, 254-535-2748, is not for media queries or patient status updates.

Family members can call the Family Assistance Center Hotline at (254) 288-7570 or (866) 836-2751 for updates.
