

# We Believe...

## Vision

We are the face of Army Medicine:  
Quality health care for our Army starts here!

Access to world-class care, nationally  
recognized medical training and courteous  
service are our core competencies.

We develop 21<sup>st</sup> century leaders, accountable to  
our Army and our beneficiaries.

## Mission

To provide high quality, customer focused,  
accessible and comprehensive health service in  
support of the Global War On Terror and the  
Army Medical Action Plan.

To promote resilience for our Soldiers and their  
Families, enhancing readiness and  
deployability.

To conserve the fighting strength through a  
culture of excellence in our continuum of medi-  
cal training.

Setting the standard and being accountable  
to our Nation.

## Careers & Benefits

The Army Health Care Team is one of the most extensive and dynamic health care systems in the world. The Team's mission is to support America's Army at home and abroad, serving some 5 million beneficiaries.

The Joint Commission on Accreditation of Healthcare Organizations accredits all U.S. Army Medical Command hospitals to the same standards as U.S. civilian hospitals.

The Army is a National Leader and sets the standard for care within the military and civilian systems, attracting and retaining the best health care professionals while sustaining exceptional training, graduate medical education, and research and development programs.
