

# Back School

## Sports Physicals

Saturday | 27 July & 7 Sep | 8 a.m. - 3 p.m.

Thomas Moore Health Clinic | 58th Street & 761st Battalion Ave., Fort Hood, Texas

### Appointments are required

(and walk-ins will be redirected to their primary clinic)

**Call 288-8888 to schedule or cancel an appointment**

All Tri Care Prime beneficiaries, enrolled to CRDAMC, can make appointments for their children to receive Sports Physicals for their respective school district and CYS summer camps and sports teams.

Routine childhood immunizations will not be administered during the sports physicals and families are encouraged to use their assigned primary care clinics. Walk-in hours for immunizations can be obtained by calling 288-8888, or your clinic's front desk.

Sports physicals are required every two years for Texas Independent School District Sports Teams. We request that you ask your school's athletic department for clarification if you are unsure if your current physical meets the standard.

Fort Hood Child & Youth Services require that physicals be performed every year.

Students should wear loose fitting clothes or sports attire so the examining provider can make a proper assessment. Students under the age of 18 will require a parent or legal guardian to escort them for the duration of the appointment.

### Please bring the following to your appointment:

- ☛ ID Cards required for children 10 years and older
- ☛ Immunization Record
- ☛ School Sports Physical Form
