WARRIOR TRANSITION BATTALION

Incoming Cadre Member
Warrior Transition Battalion
Fort Hood, TX 76544

Dear Warrior Cadre,

There is no greater calling than the responsibility to care for Soldiers and Families as you have been called to do. We exist to support the Warriors of this Battalion!

As the Battalion Commander of the Warrior Transition Battalion (WTB), I want to welcome you and your family to Fort Hood and the Warrior Transition Battalion. As a Cadre member, your mission is to assist Soldiers and Families who are in the process of healing. Though challenging at times, you'll find your mission will be personally and professionally rewarding.

The Warrior Creed is:

"I am a Warrior In Transition. My job is to heal as I transition back to duty or continue serving the nation as a veteran in my community. This is not a status, but a mission. I will succeed in this mission because I am a warrior and I am Army Strong."

Again, we exist to support these Soldiers. Remember that everyday. The mission of the WTB is to provide Command and Control (C2) for each service member who has suffered an injury or illness while serving as a member of the U.S. Army; ensuring the service member receives the appropriate medical care, and administrative support, in order for them to fully return to duty at their unit, re-class into another MOS or return to their Community and Families as an honored veteran with dignity and respect.

BETTER EVERYDAY!
